TRADING STATEMENT

In terms of best disclosure practices, shareholders are advised that Agra's profit after tax, basic earnings per share and headline earnings per share for the year ended 31 July 2023 is expected to increase by between 20% and 25% over the prior period.

The expected increase reflects Agra's sustained investment in expanding its market presence and diversifying its portfolio, notably our foray into the fuel market, coupled with our persistent focus on cost control.

This trading statement has not been reviewed or reported on by Agra's external auditors. The results for the year ended 31 July 2023 are expected to be published on or about 27 October 2023.
